

"I have worked with Kathy for almost two years and it has been a delight. She is passionate about reaching the Bibleless with God's Word, productive in her work, communicates well and cares about fellow colleagues. She was an answer to prayer when she came to us and she's an answer to prayer in her coming role. She's well qualified for the position. I thank the Lord for Kathy!"

Kathy's love for the Lord is evidenced by her commitment to excellence in all she does. She has a humble servant's heart that will continue to bless and encourage those she serves in this vital role of providing prayer content for translation projects so close to completion. Kathy is helping "fuel" a global prayer movement to see God's Word in every language!"

"Kathy has been a joy to have working on the Global Partnerships Prayer Information Team. She has been enthusiastic in working with the prayer information found in our team's quarterly reports and passionate in praying for the requests as she makes them ready for distribution to the public. Kathy has a true gift in sharing field information in a clear way to a US audience while taking appropriate care for projects in sensitive areas. Her heart for Bible translation as well as her writing and editorial skills will be a huge asset to The Finish Line as the Lead Content Coordinator."

"It's been a privilege to work with Kathy in prayer ministries and share in her compassion and enthusiasm for prayer needs and praise reports from the field. Her intentional ability to listen and observe well keeps her equipped to share translation information where needed and involve others in the same enthusiasm and prayerful compassion. I'm thankful for the example that she is and for her growing commitment to see all people come to the knowledge of the truth, one prayer at time!"
