

Dear Friend,

Thank you for your interest in partnering with Kathy Pirolo's ministry as she serves with Wycliffe Bible Translators USA.

Wycliffe USA's mission is to see Bible translation in progress in every language that needs it by 2025. I (Kelly) am personally looking forward to having Kathy serve with me as Lead Content Coordinator for The Finish Line (TFL). I believe Kathy's heart, passion, character and skill set will be a huge asset in engaging people in prayer for translation projects that are nearing completion.

Prayer is foundational to all Wycliffe does and it's especially critical during the final stages of Bible translation. Often this is when spiritual attacks happen and troubles arise. The translations are so close to being done, but it can be difficult to persevere. That's why The Finish Line exists. These projects and teams need prayer, and you can be a part of the team that supports them.

One of the characteristics that stands out when I think of Kathy is her passion for people all over the world to know God and to experience his love like she does. She longs to see Revelation 7:9 fulfilled, "After this I saw a vast crowd, too great to count, from every nation and tribe and people and language, standing in front of the throne and before the Lamb..."

In order to begin her work, Kathy needs to reach 100% of the monthly budget Wycliffe USA has established for her ministry. Right now, she is at 55% of her monthly budget, needing an additional 45% before she can start her new role. She would also love to add to her partnership team, people who pray regularly for her ministry. Would you join us in asking the Lord to meet this need? **Please ask God how he would have you partner in her ministry today.**

Kathy would also be blessed to have you share this opportunity with others by hosting a gathering or introducing her to like-minded people who might be interested in learning more. Would you consider participating in this way? If so, please contact Kathy via email at kathy_pirolo@wycliffe.org or by phone at (520)603-7887.

Thank you for considering joining our team that is bringing God's eternal, life-changing Word to people for the first time in a language and form they can clearly understand.

Until all the nations worship,

Dr. John and Kelly Chesnut
