

Summer 2022 has been flying by. Jonathan completed a five week bridge program and earned his first college credits. He will be starting at Vanguard University at the end of August, one day after our 25th wedding anniversary! 25 years, wow!

We are thankful to the Lord for joining us together and being faithful to us throughout our marriage. We are also thankful for the many ministry opportunities He has given us throughout the years. This summer, Kathy has been receiving updated prayer information from all over Africa and writing the 2023 entries for The Finish Line. We have been making many new friends and welcoming new partners into our Wycliffe ministry.

Even in these hard economic times, God is faithfully calling people to partner with us for the Bibleless. What a joy it is to share about our Wycliffe ministry. We are currently at 65% of the budget Wycliffe has set for us. Once we get to 100%, Kathy will be released to her new position of Lead Content Coordinator for The Finish Line and be able to work full time again on this important project. If you would like to hear more, know someone who would like to hear or even have a Bible study or other group we could share with, please reach out to us.

A few days after we bring Jonathan to college, Kathy will be heading to Orlando to attend an event called Impact. There will be more than 40 Global Partnerships (GP) colleagues flying to Orlando to help facilitate this workshop for over 300 Wycliffe USA-assigned staff. She will be meeting with many colleagues and key leaders for the first time in person. Please pray for safe flights and for Kathy to take in and retain all God has for her during this time. We are beyond thankful to our faithful prayer and financial partners who make this Wycliffe ministry possible.

***** Praise the Lord for these first time New Testament and Bible which were dedicated in July 2022.** Thanks for being part of the team! Tigak people in PNG with 15,000 people and the Occidental Tawbuid In the Philippines with 10,000 people
